 authentication such as a date or time stamp showing verification of your intent
 to sign the form. By submitting a digital authenticated electronic signature, you
 acknowledge that it is the same as a handwritten signature.

 accordance with Section 121.091(8) or Section 121.4501(20), Florida Statutes,
 as applicable.
- 2nd Election—You have a one-time opportunity during your FRS career to switch
 from the FRS plan you initially chose to the other plan. There may be a cost for
 doing so. You cannot file a 2nd Election using this form. Call the MyFRS Financial
 Guidance Line, Option 1, or use the online resources on MyFRS.com for further
 information.
- If You Elected the Pension Plan—You understand that the Pension Plan is a defined benefit plan, which will provide you with benefit payments at retirement if you meet certain criteria. As of the most recent actuarial valuation date, the FRS actuarial liability exceeded the actuarial value of its assets, yielding an unfunded actuarial liability. This liability may increase or decrease in the future. The Florida Legislature may increase or decrease the amount that you and your employer contribute to this Plan to keep it actuarially funded.
- If You Elected the Investment Plan—You understand, acknowledge, and authorize the following:
 - You reviewed the fund profiles, the Investment Fund Summary, and the Annual Fee Disclosure Statement at MyFRS.com before submitting your Enrollment Form and before selecting any investment funds.
 - The Annual Fee Disclosure Statement for the FRS Investment Plan provides information concerning the Investment Plan's structure, administrative and individual expenses, and investment funds, including performance, benchmarks, fees, and expenses. This statement is designed to set forth relevant information in simple terms to help you make better investment decisions. The statement is available online in the "Investment Funds" section on *MyFRS.com*, or you can request a printed copy be mailed at no cost to you by calling the MyFRS Financial Guidance Line, Option 4.
 - Any accrued value you may have in the Pension Plan will be transferred to your Investment Plan account as your opening balance and is subject to the

- vesting requirements of the Pension Plan. The initial transfer amount is an estimate, and your account will be reconciled within 60 days of the transfer using your actual FRS membership record pursuant to Florida law. You direct that all future employer and employee contributions be deposited in your Investment Plan account.
- Your Plan assets will be invested in an age-appropriate Retirement Date Fund as provided under Plan provisions. Be sure to review the "Default Investment Fund Notice" located in the "Privacy, Security, & Terms of Use" section on MyFRS.com. At any time after your account is activated, you can change your fund allocations to any of the Plan's investment options by logging in to MyFRS.com or by calling the MyFRS Financial Guidance Line, Option 4.
- Your Investment Plan account will be accessible at the end of the month following the effective date of this election.
- You understand a Self-Directed Brokerage Account is offered by the Plan and enrollment will be available to you after you meet the required Plan provisions.
- Sections 121.4501(8)(b)2 and 121.4501(15), Florida Statutes, incorporate the federal law concept of participant control, established by regulations of the U.S. Department of Labor under Section 404(c) of the Employee Retirement Income Security Act of 1974. If you exercise control over the assets in your Investment Plan account, pursuant to Section 404(c) regulations and all applicable laws governing the operation of the Investment Plan, no program fiduciary shall be liable for any loss to your account which results from your exercise of control.
- The Investment Plan is a defined contribution plan. The Florida Legislature can increase or decrease the amount that you and your employer contribute to your account.
- The Investment Plan is not designed to facilitate short-term excessive fund trading. Foreign and global investment funds are subject to a minimum holding period of 7 calendar days following any non-exempt transfers into such funds. You may be subject to trading controls on the funds in the event that you trade excessively.
- Investment management fees are deducted from your Investment Plan account. These fees may change in the future, and funds may be added or terminated. If any of the funds you select are terminated in the future, you will be able to move your assets into other investment funds prior to fund termination. If you do not move your assets out of a terminated fund, those assets will automatically be moved into a replacement fund designated at that time.
- If you terminate employment and are vested in your account balance, you
 may be subject to a mandatory payout of your account if the balance is \$1,000
 or less, or an account maintenance fee of \$6 per quarter if your account
 balance is more than \$1,000.
